

Happy 20th Anniversary

cherubs

In 2015, CHERUBS
celebrates 20 years of
raising awareness,
funding research and
supporting families
affected by Congenital
Diaphragmatic Hernia!

 CHERUBS

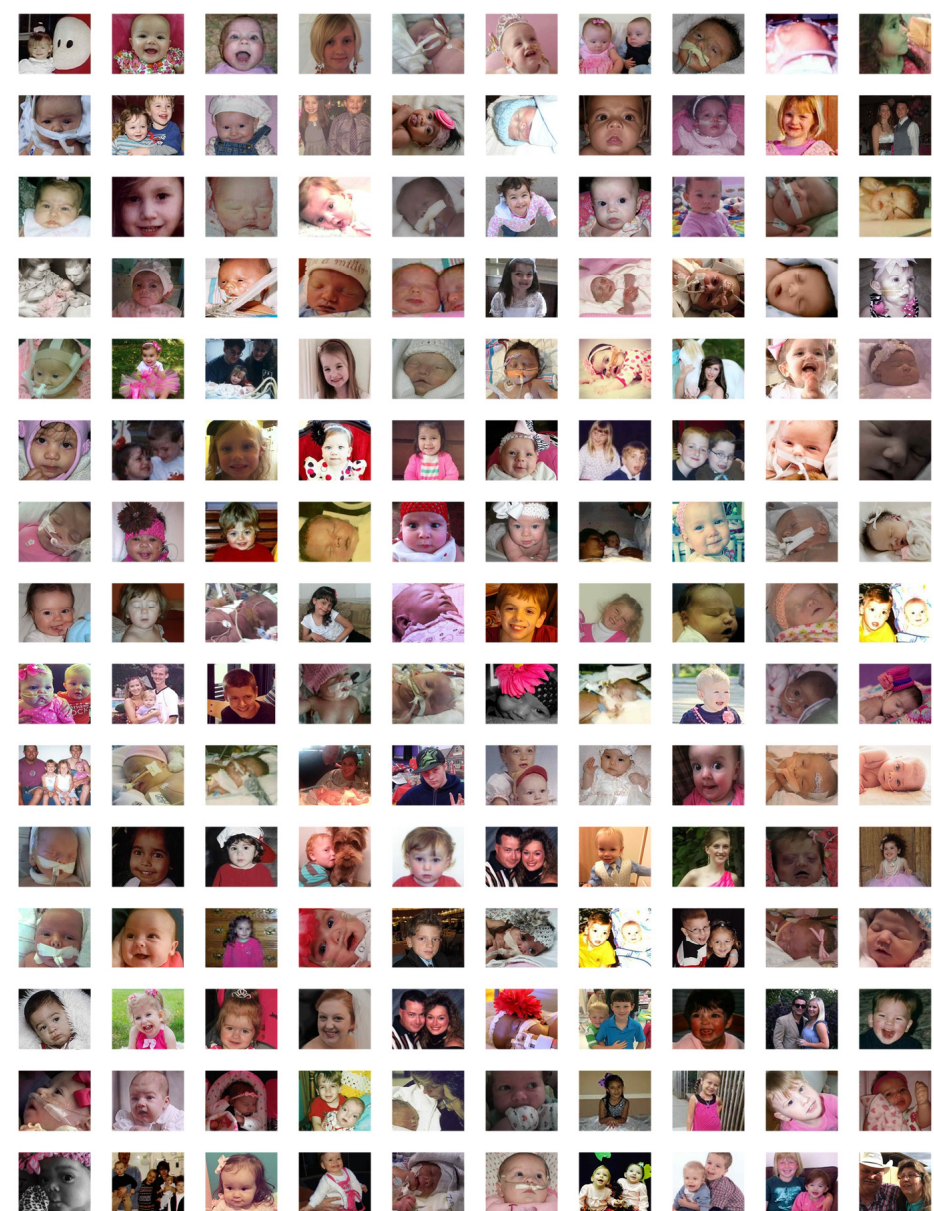

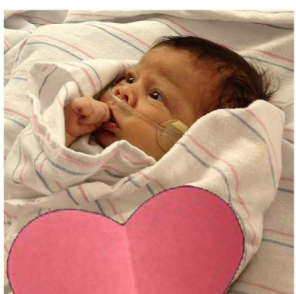

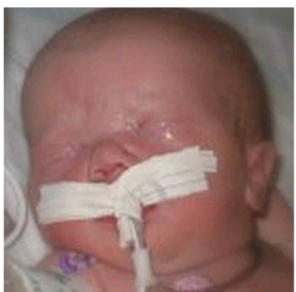

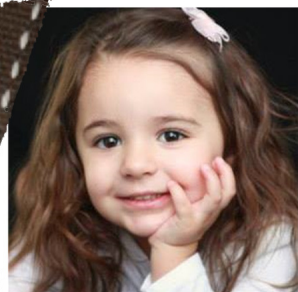

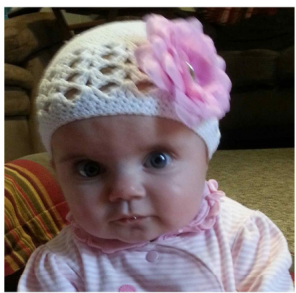

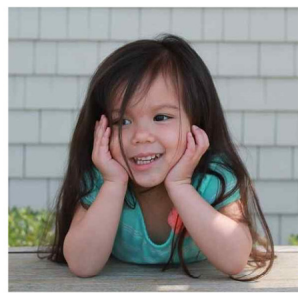

Be a part of an international CDH Awareness Movement!

January is the best time to ask your governor and mayor to proclaim April CDH Awareness Month! Visit www.cdhawarenessday.org

January is the perfect time to join the CDH Angel Club.

Make tax-deductible donations for as little as just \$1.00 per month through automated payments in honor or in memory of your cherub.

CHERUBS was founded 20 years ago this month so that no family has to face CDH alone!

Volunteer to help us help more families.

Now is the time to plan an event for April 19th!
