# PARTNERS IN RARE

THE AFFILIATE PROGRAM FOR RARE  
DISEASE NON-PROFIT ORGANIZATIONS

Official Partner

## PATIENT SUPPORT

My Rare ID supports patients in emergency medical situations while creating a digital health record that can be accessed anywhere at anytime.

## ACTIONABLE DATA

We give patients the opportunity to opt-in to share data with your organization, providing access to valuable insights across your patient community.

## 24/7 SUPPORT

Rare disease patients require complex care, especially during emergent medical situations. Instant access means faster and more accurate treatment.

## ABOUT THE PROGRAM

My Rare ID is dedicated to supporting your patient community with 24/7 access to their digital health records, expediting emergency medical treatment, and preventing medical errors. We're also dedicated to supporting your organization.

When your non-profit partners with My Rare ID, we invest in your community's future, sharing a portion of proceeds with your non-profit to use as needed.

## BENEFITS

Emergency Support for Your Community

Helps patients establish their own medical home

Reduces time to treatment and medical errors

Ongoing Earnings for Your Organization
